

Dear Friends in Christ,

Hope you are all well and surviving the cold. The nights are getting lighter though which is a blessing and Spring will be on us before we know it. One of the first events this Spring is the Regional Ultreya at Coventry Cathedral on 11th March from 10am to 12 noon has been organised by our very own BACC Rep Ali Askew. You may have already received an email about this but here is some more information.

This promises to be a really special experience. I haven't visited Coventry Cathedral but from the photos it looks like an amazing space and an inspiring place to have an Ultreya. I hope many of us will be able to attend as it's a great opportunity for fellowship with Cursillistas across several dioceses and of course the Holy Spirit always turns up too! Please advertise this widely within your churches and encourage as many as possible to attend. Let's pack the Cathedral with Oxford Anglican Cursillistas and raise the rafters with our voices.

Travel information including parking details is attached as well as details of places to have lunch afterwards. To extend the fellowship and save on petrol why don't we organise car sharing? If anyone would like to offer their services as a driver or if you would like a lift please let me know and I'll try to be the matchmaker.

Also, just to remind you, the Cathedral have significantly reduced the cost of hiring the venue on the proviso that they also retain the collection and request that we ask people to give generously.

We need to have a good idea of numbers to organise seating, printing and refreshments so please RSVP to Ali at alison.askew@thelivingwell.co.uk

Please prayerfully consider if you can come along and hope to see you there!

Love and prayers
